Do you like fresh local produce? Would you like a convenient pickup option? Come learn about community supported agriculture options available in Park City. Uinta Headwaters and Recycle Utah would like to invite you to a free CSA Open House on Thursday March 10th at the Miners Hospital on Park Ave. Stop in between 7 and 9 PM. You'll have a chance to meet the farmers and ask questions about their farming methods, standards and program details. Many will be offering a special promotion if you sign up at the event. There will also be snacks, treats and prizes!
